

# Class Registration Form – University of Edinburgh Political Internship

Students must complete this IFSA-Butler form as soon as their enrolment is confirmed. The form should then be sent to the Scotland office by the stated deadline (please refer to “Dates for Your Diary” for the CRF deadline). You must be enrolled in what constitutes a full course load for the Political Internship Programme at the University of Edinburgh. This is required by IFSA-Butler and the University of Edinburgh.

NO UNDERLOADS OR OVERLOADS ARE PERMITTED. This form will be checked to ensure that you have satisfied the course load requirements for IFSA-Butler and an approved copy will be sent to you by post.

NB: Year students please specify if the course you are taking is a fall or a spring course.

If at any time during your stay you alter your enrolment you must discuss it with the IFSA-Butler Scotland office and with your advisor at the University of Edinburgh.

It is very important to state the correct full title and code for each course, as this information will provide the basis of your final transcript. Failure to enrol in, maintain, successfully complete and take examinations in a full course load (as defined by IFSA-Butler) for the duration of your overseas stay will result in loss of credit for the semester/ year.
